

Center Parcs

24th to 27 April 2015

5 members went to Center Parc, Woburn, for the inaugural Hemel Squash Center Parcs holiday. Members who attended were David Creese, Steve King, Antony Diblasio, Chris Hems and myself. For those that haven't been to a Center Parcs complex, they're holiday adventure village set in forests which specialises in a variety of leisure activities.

We stayed in an apartment very similar to the one shown here. We all hired mountain bikes, and over the 3 nights participated in a variety of activities including golf, archery, squash, badminton, swimming (in a fantastic tropical pool), table tennis and heavy drinking (particularly when Chris Hems arrived)! We had a Champion of Champions board which noted the achievements of the group, in sporting and non sporting matters. Some of the highlights were:

- Best Badminton – Antony and Don
- Best Squash – David (with objections from Antony)!
- Best Archery – Chris/Antony
- Slowest Cook – Steve (60 minutes for 4 omelettes!!!)
- Best Insult – Don (**has gone from Crap to OK!) re squash ability (don't ask who)!
- Best Arm Wrestle – Antony
- Most Gay – Antony (don't ask)
- Best Table Tennis – Chris and Don
- Best Golf – Don and David
- Best Pool – Steve

I plan on organising this again for 2016
